## This Week's News...

It's been another busy and productive week here at Lindridge, with the children all settling back well into the Autumn term and enjoying their new classes and teachers.

We've been fortunate enough to be selected to participate in the Tesco Community Grants Scheme, with a chance to receive between £500 and £1,500 to make improvements to our nature garden. You will be able to vote for us with your blue tokens from 1st October to 31st December, so please let your friends and family know. As such a small school, we are going to need all the support we can get to get those little blue tokens mounting up!

Our lovely FOLS team have asked me to let you know about the following:

- Thursday 30th September - Rags 2 Riches Second Hand Clothing Collection
- Friday 15th October - Fancy Dress Disco. 5.30pm to 6.15pm Hedgehog and Otter Class, 6.30pm to 7.30pm Squirrel and Fox Class. More details to follow.
- Saturday 16th October - A Working Party is needed to lay slabs for a new FOLS storage shed and to plant bulbs around the grounds. Work to take place 10.00am - 12.00pm. Volunteers very gratefully received. Please contact the FOLS team or the School Office if you can help in any way.
- Saturday 6th November - 12.00pm - 2.00pm Autumn Fair. Volunteers will be needed for this, so please email Kelly on [kmg1412@yahoo.co.uk](mailto:kmg1412@yahoo.co.uk) if you are able to help.

We've had a number of parents enquiring about lost property. Please can we ask that children's uniform is clearly named as now that they are getting changed at school for PE lessons, things do go missing. Thank you.

With best wishes for a restful weekend.

## This week's attendance

- Hedgehogs 100.00%
- Otters 100.00%
- Squirrels 100.00%
- Foxes 97.10%
- **Whole School 98.90%**

Whole school target is 97.00%.

## School Closure Monday 27th September

We have been informed by Western Power Distribution that we will have no electricity on **Monday 27th September 2021**. This means that we will have no phones, internet connection, heating, lighting etc. It is therefore not safe for school to open on that day.

Class teachers will send children home with work on Friday 24th September for them to complete during the day of the closure. School will open as normal on Tuesday 28th September. We apologise for any inconvenience that this may cause.

## Collection for Caroline Palethorpe

As you will no doubt be aware from the letter sent out on Parentmail earlier this week, our Chair of Governors, Caroline Palethorpe, has tendered her resignation after four years of service to our school.

Caroline has committed a huge amount of time, effort and energy to our school over her years with us, and we would like to recognise this by way of a gift to thank her for all she has done for Lindridge St Lawrence Primary School.

We will be holding a collection for this and would ask that if any staff or parents / carers would to make a donation towards a gift, that they see Mrs Hurst in the School Office.

Thank you.

## Covid 19 Attendance Guidance

We thought it would be useful to remind you of the current Government guidelines on school attendance and Covid 19.

- Pupils who have symptoms of Covid 19 should isolate and get a PCR test.
- Pupils who have had a positive LFT test should isolate and get a PCR test.
- Pupils who are a close contact of someone who has tested positive do not need to self-isolate. They should get a PCR test and should only isolate if they test positive. If they test negative, they must return to school.

If you have any questions or are uncertain how to proceed in the event that your child is unwell, or tests positive, please do not hesitate to contact the School Office.

**Neighbourhood Matters**

The Police have a new system to interact with its communities and we are hoping that you could share the below with your parents in newsletters etc.

The new system, called Neighbourhood Matters, enables residents, businesses and community groups across Herefordshire, Worcestershire, Shropshire and Telford to find out more about what is happening in their local community. It also gives them the opportunity to contact police officers and local policing teams directly so they can raise any concerns and provide feedback.

It is a free service and those who sign up can choose to receive news and appeals, local crime information and crime prevention advice via a number of different channels.

Assistant Chief Constable Rachel Jones, said: "We are delighted to launch Neighborhood Matters as a key part of our Local Policing and Community Charter. The new messaging service will help us to work more closely with the public, build strong community relationships and both reduce and prevent crime.

"Intelligence received from our communities is vital in preventing and detecting crime and anti-social behaviour. Neighbourhood Matters will be another mechanism that people can use to pass on information and concerns, speak directly to local teams and keep up-to-date with policing in their area. By working together to share information we can make a real difference."

The messages people receive will be targeted and based on their location and preferences selected by each individual. The public can sign up for local updates from their neighbourhood policing team, or join a number of specialised community interest groups such as Business Watch, wildlife crime and crime prevention.
