This Week's News...

It's been another busy week here at Lindridge and I can't believe that we're nearly halfway through this first half term!

Just a reminder that the school is closed on Monday 27th October due to a power cut. Work has been sent home with children today for them to complete on Monday. We'd be grateful if this could be sent back into school with children on Tuesday morning so they can show their teacher what they've done.

We've had a large number of messages from parents again this week regarding lost property. Please could parents ensure that all items of uniform etc are clearly named so that we can get them back to their owners. We do try and encourage pupils to take care and responsibility for their belongings, and would be grateful if this message could be reinforced at home.

Finally, the Lindkidz team have asked me to remind parents / carers that they are only monitoring emails during their opening hours: **Monday to Friday, 7.30am to 5.30pm**. Emails will not be checked outside of these hours, so please ensure that you get your booking requests into our lovely Lindkidz ladies in a timely manner.

With best wishes for a restful weekend.

Tesco Community Grant Scheme

We've been fortunate enough to be selected to participate in the Tesco Community Grants Scheme, with a chance to receive between £500 and £1,500 to make improvements to our nature garden.

You will be able to vote for us with your blue tokens from Friday 1st October to Friday 31st December in **Tesco Tenbury Wells**, so please let your friends and family know. As such a small school, we are going to need all the support we can get to get those little blue tokens mounting up!

Covid 19 Attendance Guidance

We thought it would be useful to remind you of the current Government guidelines on school attendance and Covid 19.

- Pupils who have symptoms of Covid 19 should isolate and get a PCR test.
- Pupils who have had a positive LFT test should isolate and get a PCR test.
- Pupils who are a close contact of someone who has tested positive do not need to self-isolate. They should get a PCR test and should only isolate if they test positive. If they test negative, they must return to school.

If you have any questions or are uncertain how to proceed in the event that your child is unwell, or tests positive, please do not hesitate to contact the School Office.
